LOVE THE LORD MINISTRIES

Bro. James wrote,
"I'm so very grateful for all
your help. I love Hope
Tracts. Please keep me in
your prayers."

James Thomas Nichiniello established Love the Lord Ministries in 2021 and is a traveling Evangelist-Missionary, doing most of his work here in the USA. Originally from Boston, MA, he has been living in New York City for the past two years and has worked alongside of Pastor Brian Kelly and King James Bible Baptist Church in Manhattan. He distributes a lot of tracts and is pictured (right) holding our tract entitled "What Is The Gospel?" which he especially likes.

His wife Nilda, a son in college named Aldrin, and a daughter in Christian school named Elisabeth all live in the Philippines. Bro. James also does international missionary work in Uganda and the Philippines. Since 2001, he has traveled to Uganda three times doing crusade work and helping plant churches.

Here are some great pictures he sent of people reading our tracts on the subway in New York City.

He said that the Lord is leading him back to Boston to establish a new ministry of winning souls and training up disciples there in the city. They are in need of support and materials to accomplish this. Please take time to visit his website and see what God is doing through his ministry:

TWO RECEIVE CHRIST IN NY

We were contacted by two people in New York who received Jesus Christ as their Lord and Savior after reading one of our tracts. Brian D. and James A. both received our tract entitled "The Greatest Love Of All." It is very interesting that both tracts were given out by either James Thomas Nichiniello or someone working with him because they had his ministry information stamped on them. Both of them were sent a letter of encouragement and our study guide for new Christians, as well as some additional tracts.

THANK GOD FOR HIS DIVINE PROTECTION!

Ironically, My wife Kim and I were on our way to the hospital to visit one of our church members and ended up at the hospital ourselves. We were struck by a man who ran a red light at the intersection we were crossing through. He was late for work and traveling at a high rate of speed when he demolished the front of our car (left). He hit another car after ours and rolled a few times, before eventually landing quite a ways down the road. Kim managed to escape without injury while I suffered a hard jolt to my shoulder. The man who hit us had some minor injuries and was treated at the scene. After being checked out at the hospital it was determined that I had no serious injuries. We are amazed

that we even survived, and we thank God for His divine protection! We are trusting God to help us buy another car as the one we had was a 2012 and will most certainly be a total loss.

A NEW SUPPORTING PASTOR

We were honored to meet Dustin Prince, the new pastor of Harvest Baptist Church in Bessemer City, NC recently when Kim and I dropped in for their Sunday evening service. We also enjoyed seeing many old friends from when I was a member there for 14 years while working in the printing ministry of Fundamental Baptist Home Missions. They have supported

us and Hope Tract Ministry for many years and for that we are very grateful! They are experiencing some real growth right now and are in need a piano player. If you know of anyone in the area who might be able to help, please let us know and we will pass the information on to them.

HELP FROM OUR FRIENDS

Hope Tract Ministry could not operate without the help of Carol Douthit (right) and Jonathan Kinard (left). Jonathan cuts the tracts and operates the folder while Carol packs and maintains the equipment. They are both very much involved in our sister ministry The Bread of Life where they print the Gospel of John and Romans booklets in various languages. Both men are dear friends and members here at Bethel Baptist Church.
